

Assessing payment adequacy: Long-term care hospital services

ISSUE: Are Medicare's payments for long-term care hospital (LTCH) services adequate? How should payments be changed in 2011?

KEY POINTS: At this meeting, we will review information about the adequacy of current aggregate LTCH payments. We will look at information about: beneficiaries' access to care, the supply of LTCHs, changes in the volume of services furnished, quality of care, providers' access to capital, and Medicare's payments and costs.

ACTION: Commissioners should review findings and vote on the Chairman's draft recommendation, which will be presented at the meeting.
